SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between parents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between uncles and nieces, aunts and nephews, first cousins, white persons and Negroes or white persons and Mongolians, and between persons either of whom is insane, mentally imbecile or feeble-minded, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor; and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application.

3. 4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married, or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void after ten days from the date of issuance.

SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between par-
 ents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between
 uncles and nieces, aunts and nephews, first cousins, white persons and Negroes or white persons and Mongolians, and between persons either of whom is
 insane, mentally imbecile or feeble-minded, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state
 official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall
 issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor;
 and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

- SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer author-
 ized to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such
 marriage is solemnized by a person authorized by law to solemnize marriages.
2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties
 to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of
 Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license,
 unless one of the parties withdraws the application.
3. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which
 said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such un-
 usual condition as to make such marriage advisable.
4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.
5. Common law marriages hereafter contracted shall be null and void.
6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any
 want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married,
 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit
 signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a
 positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her
 best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so
 infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have
 attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that
 one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The
 laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the
 test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void
 after ten days from the date of issuance.

SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between par-
 ents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between
 uncles and nieces, aunts and nephews, first cousins, white persons and Negroes or white persons and Mongolians, and between persons either of whom is
 insane, mentally imbecile or feeble-minded, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state
 official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall
 issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor;
 and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authoriz-
 ed to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such
 marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties
 to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of
 Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license,
 unless one of the parties withdraws the application.

3. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which
 said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such un-
 usual condition as to make such marriage advisable.

4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any
 want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married,
 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit
 signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a
 positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her
 best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so
 infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have
 attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that

SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between par-
 ents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between
 uncles and nieces, aunts and nephews, first cousins, white persons and Negroes, or white persons and Mongolians, and between persons either of whom is
 insane, mentally imbecile or feeble-minded, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state
 official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall
 issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor;
 and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer author-
 ized to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such
 marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties
 to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of
 Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license,
 unless one of the parties withdraws the application.

3. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which
 said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such un-
 usual condition as to make such marriage advisable.

4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any
 want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married,
 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit
 signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a
 positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her
 best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so
 infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have
 attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that
 one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The
 laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the
 test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void
 after ten days from the date of issuance.

Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application.

3. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual condition as to make such marriage advisable.

4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married, or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void after ten days from the date of issuance.

 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit

SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between parents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between uncles and nieces, aunts and nephews, first cousins, white persons and Negroes or white persons and Mongolians, and between persons either of whom is insane, mentally imbecile or feeble-minded, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor; and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application.

3. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual condition as to make such marriage advisable.

4. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married, or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void after ten days from the date of issuance.

Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married, or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her death-bed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen days before the date of the issuance of the license and said license shall be void after ten days from the date of issuance.
