STANDARD—HANNIBAL, MO. 49894

NOTICE TO PERSONS SOLEMNIZING MARRIAGES

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

Section 451.040. License must be obtained—marriage may be solemnized, by whom — License shall not be issued until at least three days after application therefor—common law marriages null and void—not invalid under certain conditions. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

For the purpose of this chapter, "Laboratory" shall mean any private or public health laboratory duly approved by the Division of Health, or by the State Board of Health of any other state of the United States, or by the United States Public Health Service.

Section 451.060. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

For the purpose of this chapter, "Laboratory" shall mean any private or public health laboratory duly approved by the Division of Health, or by the State Board of Health of any other state of the United States, or by the United States Public Health Service.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

NOTICE TO PERSONS SOLEMNIZING MARRIAGES

If you are not a citizen of the United States, (or a resident of and pastor of some church in this State), besides possessing the other necessary legal qualifications, you cannot solemnize marriages, and would be liable to both fine and imprisonment for so doing. Read License carefully.

Section 451.100. Marriages may be solemnized by any licensed or ordained preacher of the gospel, who is a citizen of the United States, or who is a resident of this state and a pastor of any church in this state, or by any judge of a court of record, except judges of the probate court.

Section 451.040. License must be obtained—marriage may be solemnized, by whom—License shall not be issued until at least three days after application therefor—common law marriages null and void—not invalid under certain conditions. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory, or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license **shall be void after ten (10) days from the date of issuance.**

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

For the purpose of this chapter, "Laboratory" shall mean any private or public health laboratory duly approved by the Division of Health, or by the State Board of Health of any other state of the United States, or by the United States Public Health Service.

Section 451.060. Penalty for violation.—Any Recorder of Deeds who shall unlawfully issue a license to marry to any person who fails to present and file the certificates provided for in this Sec. 451.050; or any physician who shall knowingly and willfully make any false statement in such certificate; or any person applying for a license to marry who shall knowingly and willfully make any false statement in or concerning the said certificates; or any person making the laboratory tests who shall knowingly and willfully make any false statement in the laboratory report; or any person or persons having knowledge of any matter relating to or pertaining to the examination who shall disclose the same, or any portion thereof, shall upon conviction thereof shall be deemed guilty of a misdemeanor and punished as such.

Section 451.110. Revised Statutes, 1959. Certificate of Marriage to be Given.—Every person solemnizing marriages under this chapter shall issue and deliver to the parties to such marriage a certificate thereof, which shall be furnished in blank by the officer who issues such license, setting forth the names and residence of the parties and the date of such marriage and the county from which the license was issued and the date of same; and such certificate shall be prima facie evidence of the facts therein stated in all courts of this state. (Use the attached blank for this purpose.)

Section 451.120. Revised Statutes, 1959. Penalty for Solemnizing Marriage without license, or Failing to Keep a Record thereof.—Any person who shall solemnize any marriage wherein the parties have not obtained a license, as provided by this chapter, or shall fail to keep a record of the solemnization of any marriage, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not exceeding five hundred dollars, and in addition shall be subject to a civil action by the parent, guardian or other person having care or custody of the person so married, to whom services are due wherein the recovery shall not exceed the sum of five hundred dollars; and any Recorder who shall issue a license contrary to the provisions of this chapter shall be subject to a like punishment.

If you are not a citizen of the United States, (or a resident of and pastor of some church in this State), besides possessing the other necessary legal qualifications, you cannot solemnize marriages, and would be liable to both fine and imprisonment for so doing. Read License carefully.

Section 451.100. Marriages may be solemnized by any licensed or ordained preacher of the gospel, who is a citizen of the United States, or who is a resident of this state and a pastor of any church in this state, or by any judge of a court of record, except judges of the probate court.

Section 451.040. License must be obtained—marriage may be solemnized, by whom—License shall not be issued until at least three days after application therefor—common law marriages null and void—not invalid under certain conditions. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. 'Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draft rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

For the purpose of this chapter, "Laboratory" shall mean any private or public health laboratory duly approved by the Division of Health, or by the State Board of Health of any other state of the United States, or by the United States Public Health Service.

Section 451.060. Penalty for violation.—Any Recorder of Deeds who shall unlawfully issue a license to marry to any person who fails to present and file the certificates provided for in this Sec. 451.050; or any physician who shall knowingly and willfully make any false statement in such certificate; or any person applying for a license to marry who shall knowingly and willfully make any false statement in or concerning the said certificates; or any person making the laboratory tests who shall knowingly and willfully make any false statement in the laboratory report; or any person or persons having knowledge of any matter relating to or pertaining to the examination who shall disclose the same, or any portion thereof, shall upon conviction thereof shall be deemed guilty of a misdemeanor and punished as such.

Section 451.110. Revised Statutes, 1959. Certificate of Marriage to be Given.—Every person solemnizing marriages under this chapter shall issue and deliver to the parties to such marriage a certificate thereof, which shall be furnished in blank by the officer who issues such license, setting forth the names and residence of the parties and the date of such marriage and the county from which the license was issued and the date of same; and such certificate shall be prima facie evidence of the facts therein stated in all courts of this state. (Use the attached blank for this purpose.)

Section 451.120. Revised Statutes, 1959. Penalty for Solemnizing Marriage without license, or Failing to Keep a Record thereof.—Any person who shall solemnize any marriage wherein the parties have not obtained a license, as provided by this chapter, or shall fail to keep a record of the solemnization of any marriage, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not exceeding five hundred dollars, and in addition shall be subject to a civil action by the parent, guardian or other person having care or custody of the person so married, to whom services are due therein the recovery shall not exceed the sum of five hundred dollars; and any Recorder who shall issue a license contrary to the provisions of this chapter shall be subject to a like punishment.

Section 563.[illegible] Revised Statutes, 1959. "Marriage Illegally Solemnized—Penalty."—Every person who shall solemnize any marriage, having knowledge of any fact which renders such marriage unlawful or claiming in either of the parties under any law of this state, or who shall have reasonable or reasonable cause to believe that either of the parties is under the age of legal consent, or is insane, imbecile, feeble-minded or epileptic, or where, to his knowledge, any impediment by law to such marriage exists, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding five hundred dollars, or by imprisonment in the county jail not exceeding one year, or by both such fine and imprisonment.

NOTICE TO PERSONS SOLEMNIZING MARRIAGES

If you are not a citizen of the United States, (or a resident of and pastor of some church in this State), besides possessing the other necessary legal qualifications, you cannot solemnize marriages, and would be liable to both fine and imprisonment for so doing. Read License carefully.

Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

Section 451.040. License must be obtained—marriage may be solemnized, by whom — License shall not be issued until at least three days after application therefor—common law marriages null and void—not invalid under certain conditions. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

NOTICE TO PERSONS SOLEMNIZING MARRIAGES

If you are not a citizen of the United States, (or a resident of and pastor of some church in this State), besides possessing the other necessary legal qualifications, you cannot solemnize marriages, and would be liable to both fine and imprisonment for so doing. Read License carefully.

Section 451.100. Marriages may be solemnized by any licensed or ordained preacher of the gospel, who is a citizen of the United States, or who is a resident of this state and a pastor of any church in this state, or by any judge of a court of record, except judges of the probate court.

Section 451.040. License must be obtained—marriage may be solemnized, by whom—License shall not be issued until at least three days after application therefor—common law marriages null and void—not invalid under certain conditions. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such marriage is solemnized by a person authorized by law to solemnize marriages. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of Deeds. Upon the expiration of three days after the receipt of such application, duly executed and signed, the Recorder of Deeds shall issue the license, unless one of the parties withdraws the application. Provided, however, that said license may be issued on order of the Circuit or probate court or a judge thereof in vacation of the County in which said license is applied for, without waiting three days as herein provided, such license being issued only for good cause shown and by reason of such unusual conditions as to make such marriage advisable. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor. Common law marriages hereafter contracted shall be null and void. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way effected on account of any want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons, so married, or either of them, that they were lawfully joined in marriage.

Section 451.050. Requiring certificate of serological test for syphilis.—It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have attached thereto a laboratory report of the test of syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that one of the applicants for a license to marry is on his or her deathbed and unlikely to consummate the marriage or that an applicant is pregnant. The laboratory report of the negative blood test and the affidavit of the applicant, and the physician's certificate of health with the laboratory report of the test for syphilis attached thereto, shall be made not longer than fifteen (15) days before the date of the issuance of the license and said license shall be void after ten (10) days from the date of issuance.

The division of health of the state department of health and welfare shall have complete control of and shall draw rules and regulations concerning the procedure and methods of making such laboratory examinations and the filing of the reports of such examinations with the State Board of Health, and concerning the affidavits, certificates and other forms necessary for an efficient administration of Section 451.050 to 451.070.

Laboratory tests shall be made free of charge by the laboratory of the Division of Health or by such other public health laboratories wherever maintained in the State of Missouri, upon the request of a physician or by an applicant.

For the purpose of this chapter, "Laboratory" shall mean any private or public health laboratory duly approved by the Division of Health, or by the State Board of Health of any other state of the United States, or by the United States Public Health Service.

Section 451.060. Penalty for violation.—Any Recorder of Deeds who shall unlawfully issue a license to marry to any person who fails to present and file the certificates provided for in this Sec. 451.050; or any physician who shall knowingly and willfully make any false statement in such certificate; or any person applying for a license to marry who shall knowingly and willfully make any false statement in or concerning the said certificates; or any person making the laboratory tests who shall knowingly and willfully make any false statement in the laboratory report; or any person or persons having knowledge of any matter relating to or pertaining to the examination who shall disclose the same or any portion thereof, shall upon conviction thereof shall be deemed guilty of a misdemeanor and punished as such.

Section 451.110. Revised Statutes, 1959. Certificate of Marriage to be Given.—Every person solemnizing marriages under this chapter shall issue and deliver to the parties to such marriage a certificate thereof, which shall be furnished in blank by the officer who issues such license, setting forth the names and residence of the parties and the date of such marriage and the county from which the license was issued and the date of same; and such certificate shall be prima facie evidence of the facts therein stated in all courts of this state. (Use the attached blank for this purpose.)

Section 451.120. Revised Statutes, 1959. Penalty for Solemnizing Marriage without license, or Failing to Keep a Record thereof.—Any person who shall solemnize any marriage wherein the parties have not obtained a license, as provided by this chapter, or shall fail to keep a record of the solemnization of any marriage, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not exceeding five hundred dollars, and in addition shall be subject to a civil action by the parent, guardian or other person having care or custody of the person so married, to whom services are due wherein the recovery shall not exceed the sum of five hundred dollars; and any Recorder who shall issue a license contrary to the provisions of this chapter shall be subject to a like punishment.
