- Will -

I, Raymond B Cochran, being of sound and disposing mind and memory, do hereby make, publish and declare this to be my last will and Testament hereby revoking any and all other and former wills made by me 1st I desire that all of my just debts, including funeral expenses, and the expense of my last illness, be paid and in the item of funeral expenses I authorize my Executrix hereinafter named, to buy a suitable monument for such sum as she may think proper to be erected at my grave.

2nd An account of the fact that my wife, Roberta V Cochran, was the owner of certain property and money in her own right, which was used by me in my business and for the well fare of our family, and in order to in a manner repay or give her the benefit of such amount, I have the deed to our home in Willard Missouri made in joint names of myself and wife, and while the legal title to said property upon my death would vest in her, yet I consider that by receiving said home and by becoming the absolute owner of said property at my death, that this will repay her for the amount of money and property which she had in her own right.

Inasmuch as the title to two hundred eighty (800) acres of land being our farm in Webster County Missouri, also stands in the name of myself and wife and by reason of that fact she will become the owner of said farm in her own right upon my death, and Inasmuch as I value said farm

of the sum of Fifteen Thousand Three hundred Dollars (\$15,300.00), and deduct therefrom the deed of Trust against the same in the amount of Five Thousand Three hundred Dollars (\$5,300) leaves said farm of the net value of Ten Thousand Dollars (\$10,000.00) and whereas I also hold insurance policies in the sum of Three Thousand Dollars (\$3,000.00) made payable to my wife, I therefore consider that at my death my wife, on account of the facts heretofore recited obtains property and money of the value of Thirteen Thousand Dollars (\$13,000.00)

3rd. I give, devise and bequeath to my beloved wife Roberta V Cochran all of the household and kitchen furniture, musical instruments and household goods, beds, bedding, and etc and also one half of all of my property, whether real personal or mixed, or one half in value thereof, but out of said one half I deduct the amount of Thirteen Thousand Dollars (\$13,000.00) which is the amount heretofore recited as having been given to her, in other words to illustrate should my estate, excluding the home but including the Webster County farm and the \$3000.00 life insurance, be figured approximately of the value of forty thousand Dollars (\$40,000.00) then out of said amount of Forty Thousand Dollars would be deducted the indebtedness and expenses of administration, and then one half of said amount would be figured as being given, devised and bequeathed to my wife Roberta V Cochran, but out of said one half which would be Twenty Thousand Dollars (\$20,000.00) for illustration, is to be deducted the sum of Thirteen Thousand Dollars (\$13,000.00) which I figure that she has received, and which would leave coming to her in addition to said Webster County farm and said Three Thousand Dollars insurance, the sum of Seven Thousand Dollars (\$7,000.00). I merely use the above as an illustration to explain and make clear my the manner in which I wish the amount which

I give to my beloved wife to be arrived at
The above gifts and bequests to my wife are in
lieu of any and all statutory rights and allowances
given to her under the laws of Missouri now in
force or which may hereafter be enacted.

4th. All the rest, residue and Remainder of my property
being the other half, I give, devise and bequeath
equally to my four children, to wit, Hugh Cochran
Mary Helen Cochran, Harry May Cochran and
Raymond Keith Cochran. I have given to my son
Hugh L Cochran, and interest in the store, or
mercantile business, now at Willard Missouri
in the sum of One Thousand Dollars (\$1000.00)
but I have not paid him that amount, neither
have I made him a partner in the business
but I have promised him that amount as he
is to get the income and profit from said amount
and unless I, during my life time, pay to him
his profit or dividend on said amount, I instruct my
executrix to pay to him said sum of One Thousand
Dollars (\$1000.00) together with the accrued dividends
or profits on said sum from and after the first
day of January, 1920 on which date I gave him
said interest or share, but in the final division of
the estate I want said Thousand Dollars deducted
out of his share so that all four children will
share equally, with the exception that he shall be
entitled to the dividends or profits on an amount
of One Thousand Dollars in said mercantile
business, and if I do not pay said profits or said
dividend to him during my life time and I also
want my executrix to take from his share on final
distribution the amount of money (without interest)
which I may have paid heretofore or may hereafter
pay out for him as premiums on a Government
Life Insurance policy No K 75066 for Two Thousand
Dollars (\$2,000.00) which he carries.

5th. I authorize and empower my executrix to
sell at either public or private sale as she may
deem best and advisable any and all of my property

whether real, personal or mixed, giving to her absolute power to sell and convey said property and to execute bills of sale or deeds of conveyance, and I further authorize and empower her to collect, compromise or settle any indebtedness or accounts, or notes due me, either individually or otherwise, and I give to her power and authority to adjust in any manner as she may see fit and proper any claims, notes, accounts, or indebtedness, to me, giving her authority to transact business the same as though I were living, and in case I do not sell the Mercantile business which I now own at Willard Missouri, I give her authority to operate and conduct said business until such time as she may be able to dispose of the same. The above authority is granted to her unconditionally and with the understanding that she may sell any property settle any accounts, notes or indebtedness and adjust any matters, without any order from the Probate Court or of any other Court.

6th, I appoint my wife, Roberta V. Cochran, Executrix of this my last will and testament and request that she be permitted to act as such Executrix without being required to give any bond.

In Witness Whereof, I have hereunto set my hand on this 28th day of November, 1921
