RECORDER OF DEEDS

INDEX TO DEED RECORD V

The image shows the front cover of an old book. The cover is decorated with a complex marbled pattern, featuring swirling, organic shapes in various shades of brown, tan, and grey. The pattern resembles stone or biological cells. In the center of the cover is a dark, rectangular label with a decorative border. The border consists of a series of small, repeating geometric or floral motifs. The text on the label is in a white, serif font. The book's edges are worn, with some of the marbled paper missing, especially along the bottom and left sides, revealing a lighter, possibly cardboard or paper, underlayer. The overall appearance is that of a well-used, antique volume.
