The undersigned petitioners state and show to the Court that the undersigned John N. Kuntz and Sharon K. PETITION FOR ORDER AUTHORIZING
ISSUANCE OF MARRIAGE LICENSE

TO THE HONORABLE PERRY G. STORTS, JUDGE OF THE
PROBATE COURT OF SALINE COUNTY, MISSOURI.

The undersigned petitioners state and show to the Court that the undersigned Edward A. Stallman and Annie W. Mikle, the applicants herein, are of lawful age for marriage; that they have fully complied with all of the provisions of Section 451.050, Revised Statutes of Missouri of 1959 and are in all respects lawfully entitled to be married.

That the above named applicants and parties are desirous of contracting a marriage in the State of Missouri and desire to have the Recorder of Deeds of Saline County, Missouri issue to them a license authorizing such marriage without waiting until three days after the presentation to him of an application for such license as is ordinarily required by law, and state that it is necessary and proper that such license be issued immediately for the following reasons, to-wit:
Both of said applicants are more than 21 years of age. Applicants have made plans to be married on April 20th, 1963. Said Stallman is conducting a business at Glasgow, Missouri and he can only be away from such business at certain times. Said Mikle is employed at the Marshall State School and Hospital and on account of her employment and the business of such Stallman unless a license is issued forthwith so that applicants can be married on April 20th, their marriage will have to be put off for an indefinite period of time which will result in great hardship and embarrasment to applicants.

WHEREFORE your petitioners pray the Court to make an order authorizing said Recorder of Deeds to forthwith and immediately issue a license for the marriage of said applicants and without waiting until three days after the application therefor has been presented to him as is ordinarily required by law.

We and each of us having been duly sworn on oath state the matters and things above stated and set forth are true.
